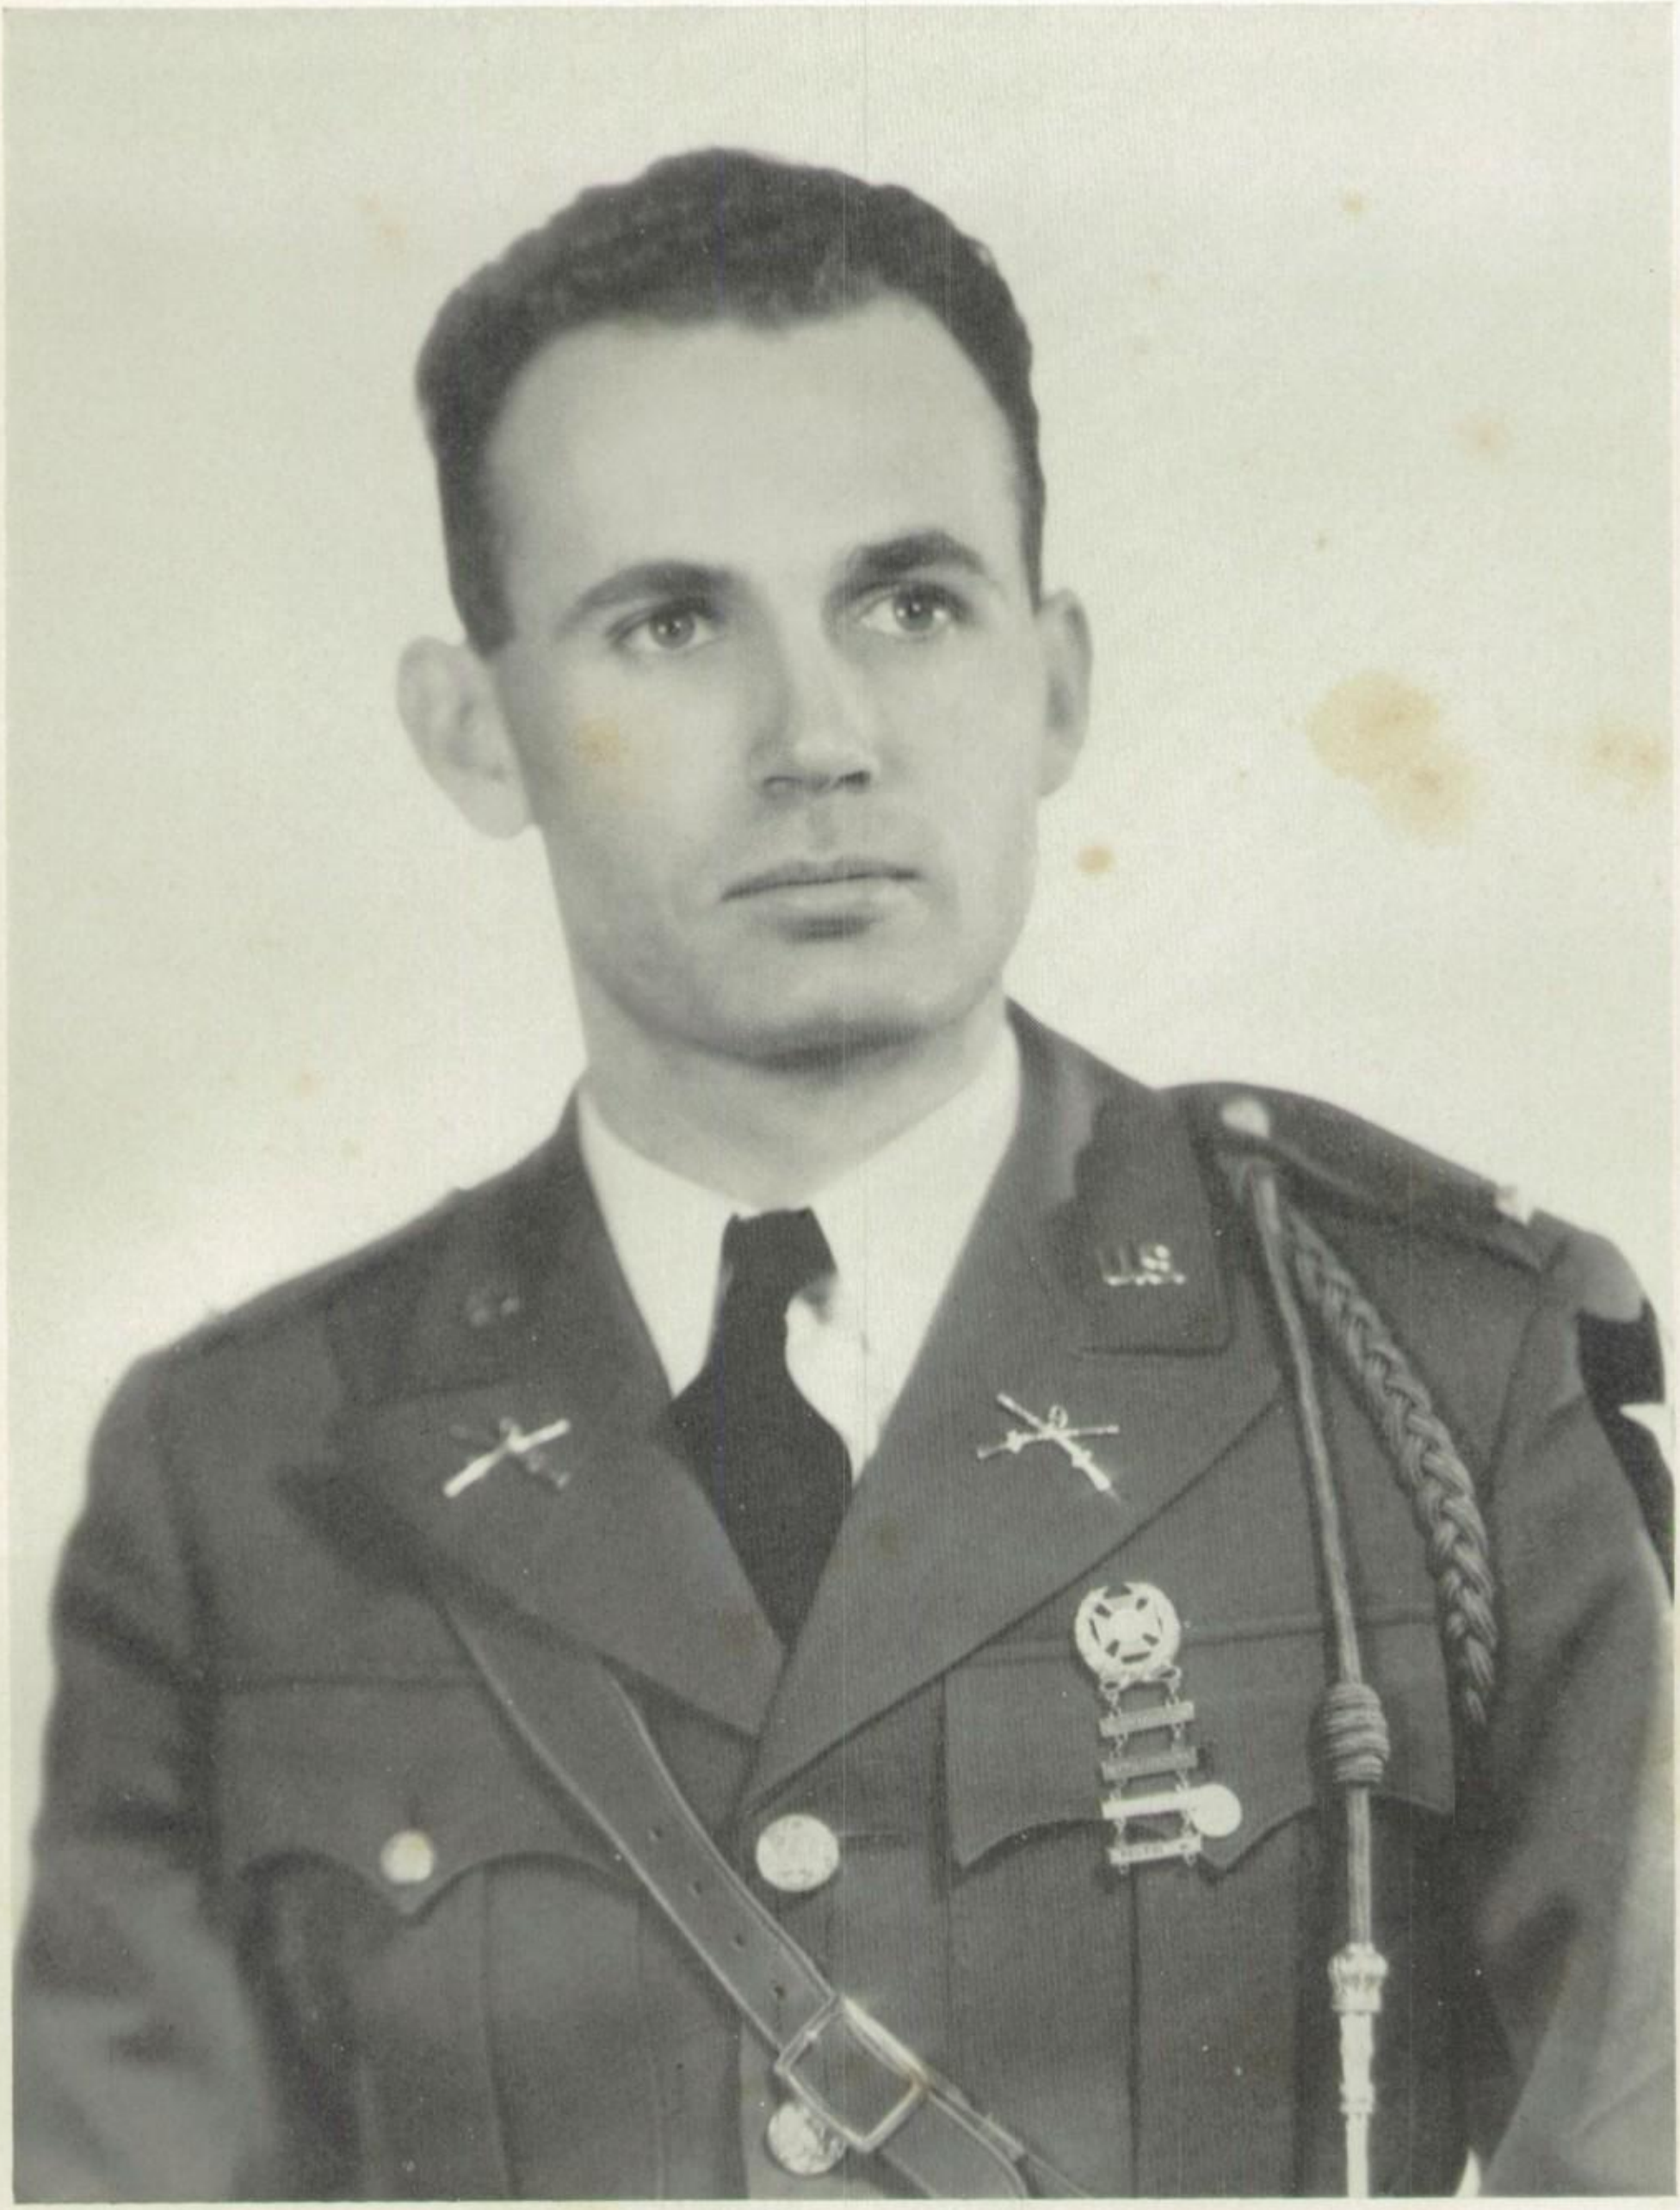
WOODROW WILSON HIGH SCHOOL

—named for a great man and dedicated to his ideals.



Photograph by Hall Gentry

DEDICATION

"He's in the Army now," but we, the senior classes of Woodrow Wilson, wish to dedicate this yearbook to a man who has served his school well and is now serving his country. He has devoted his time and efforts to make the Woodrow Wilson R.O.T.C. what it is to-day, the largest in the United States. It can be truthfully said that he has inspired a countless number of boys to greater heights and ideals in the military, as well as in other fields of life. When called, he went without a moment's hesitation to his year's service, thinking not of himself but of others. Although our senior classes will have no further contact with him, the rest of the student body will welcome him back to Woodrow Wilson High. Therefore, this, the thirteenth volume of the CRUSADER, is dedicated to our former Military Adviser, Lieutenant Philip L. Hooper.

FOREWORD

This is the thirteenth volume of the CRUSADER, the year book of Woodrow Wilson High School. In it, the staff has tried to present in word and picture the personalities and events which have comprised the school year, 1940-1941. In years to come, may this book bring back to you pleasant memories of both work and play which formed your course in Woodrow Wilson High School.

President's Message

As we enter into the work of the ensuing year, we are not unmindful that with privileges come responsibilities.

The political and economic stress under which we are living at this particular time make us more determined than ever to give to the youth of our school every possible aid toward normal existence and a feeling of security.

With a certain amount of pardonable pride in the accomplishments of the Woodrow Wilson P.-T. A. in the past, we do pledge our united effort in carrying on this work.

"He who helps a child helps humanity with an immediateness which no other help given to creature in any other stage of human life can possibly give again."

—Phillips Brooks.

Sincerely,

Mrs. L. C. Huff.

G. L. ASHBURN

OUR PRINCIPAL

Your unselfish devotion of time and patience in making this school an honored institution of learning has placed you among the most admirable educators of these times; you have instilled in the minds of your students those high ideals which you have always maintained; your justness and willingness to help those calling for aid, combined with your genial personality, have made you admired by all with whom you have been associated.

Your interest in athletic achievement has obtained for Woodrow Wilson the high standards it holds in that field to-day.

We, the Senior Classes, take this opportunity to say "thanks" to one who has been close to our hearts for the past four years—Our Own "Pop" Ashburn.

The Creed of the Students of Woodrow Wilson High School

We believe in democracy as the basis of government because, in the world of to-day, amid war and strife, the democratic government of the United States stands out as a shining example of liberty and justice.

We believe in America and its constitution because of what they mean to us as individuals.

We believe in our school which helps us to develop the principles of healthful living and happiness as well as to plan our own success in life.

We believe in respecting the Law of the Land which our forefathers created for us, and we are determined that it shall not be destroyed.

We believe in friendliness which welcomes new students into our number and spreads warmth of fellowship to the pupils already among us.

We believe that honesty, loyalty, courtesy, and sincerity are the ideals that activate us as students of a real American democratic school.

We believe in laughter, for we consider it a symbol of freedom.

We believe in ourselves and our ability to make all our creed come true.

HONOR GROUPS

Each six weeks our school compiles a list of those students who have maintained a high scholastic average in their class work. This list is divided into three divisions—the first, "summa cum laude," is composed of students who have made an A average; the second, "magna cum laude," is composed of those who have made a B average; and last, "cum laude," is composed of those students who have made a C average. No student may be included in any one of the groups who has made a grade below C in any subject.

IN MEMORIAM

And then I think of one who in her
youthful beauty died,

The fair, meek blossom that grew up
and faded by my side.

In the cold, moist earth we laid her,
when the forests cast the leaf,

And we wept that one so lovely
should have a life so brief:

Yet not unmeet it was that one,
like that young friend of ours,

So gentle and so beautiful, should
perish with the flowers.

—*William Cullen Bryant.*

DEPARTMENTS

COLONEL R. M. NEHER

When Lieutenant Hooper was called to his country's service, Colonel R. M. Neher, mathematics teacher and business manager of school extra-curricular activities, stepped into the commandant's place and carried on the duties of directing the largest R.O.T.C. unit in the United States with his usual ease and efficiency. He has strengthened the morale of the corps by his steady example of hard work, his gentlemanly conduct, his scholarly attitude, and his military bearing — those qualities which have made him one of the motivating influences of Woodrow Wilson High.

Colonel Neher is well prepared for his position, having trained at the Officers Training Camp, Field Artillery, Camp Taylor, Louisville, Kentucky where he held his commission as Second Lieutenant.

COLONEL GEORGE ROYSTER

Colonel Royster, leader and director of the Woodrow Wilson Band, deserves the admiration and appreciation of every member of the student body for the manner in which he has led the gray and crimson musicians to their present enviable position. Under his guidance the course has become so popular that all members cannot be trained at one period; so his second band, almost equal in size to the first band, has been formed. The band, under his able direction, has added snap to the military parades; pep to the athletic contests; and pleasure to the assemblies.

SERGEANT WILLIAM FORSTER

Sergeant Forster is a retired army man, who served twenty-one years in the National Army and gave up his active service in 1920. Since that time he has been engaged as supply sergeant for the high schools of Dallas, and has been closely identified with all the military affairs of Woodrow Wilson High since its opening in 1928.

In 1939, by congressional action, Sergeant Forster was awarded the order of the purple heart for distinguished service during the Spanish American War.

His wise understanding and his unfailing effort have helped to make the Woodrow Wilson cadets one of the outstanding corps of the nation.

MRS. LORWEN MERRIMAN

Mrs. Merriman is secretary to the commandant and has proven to be a very capable "second in command," who holds the esteem and respect of every man in the corps.

BAILEY HARGRAVE . . . . . *Freshman Coach*
DOYLE SMITH . . . . . *Assistant Coach*

JAMES C. RILEY . . . . . *Line Coach*
WADE W. THOMPSON . . . . . *Coach*

Woodrow Wilson will never be lacking in football strategy or in sportsmanship as long as it has such fine coaches as Wade Thompson, Doyle Smith, Bailey Hargrave, and Jim Riley. This quartet has instilled in the hearts of many boys the desire to live by the examples which they have set.

Basketball

Howard Kitchen, coach of the basketball squad, has proved himself to be a splendid and efficient director of this sport. Under his careful guidance the Wildcats have won many a championship as may be known from the evidence in the trophy cases.

Our School Favorites

On the following pages, we present the three boys and the three girls who have won the title of School Favorites. In its selection for these positions, the Crusader conducted its election on a purely democratic basis. Each student in the school was allowed to nominate one boy and one girl. The names of the six boys and girls receiving the largest number of votes in this nomination were listed on a popularity ballot. Again each student was allowed to indicate his choice, and the Annual takes pride in showing the pictures of these boys and girls who have been selected as school favorites by their classmates.
